**A Christmas Carol  
Drury Lane Theater  
Oakbrook IL.  
Saturday December 8<sup>th</sup>**

Once again we are including this holiday favorite into our December activities. This is a family event so plan on bringing everyone for a 1pm performance. After the play, a short Q&A session to better explain the workings of the theater will be conducted. Plan to stay at the mall and do some Christmas shopping afterwards.

**Adler Planetarium  
April 25<sup>th</sup> 2008  
300 spots available**

Registration and money being accepted now.

**Bulls Game  
December 14<sup>th</sup>**

**Sold Out!**

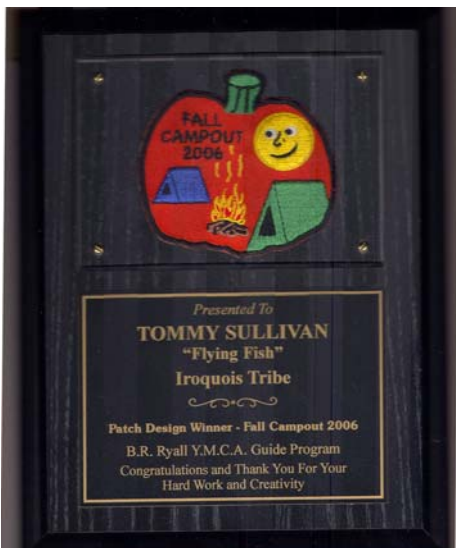

## Patch Designs

Once again, we're counting on you for patch designs! Each tribe may submit one design per event for consideration to the Feather Bearer. The entries will be narrowed to three and submitted to the executive council for final consideration. Make patch design a part of every tribal meeting.

Once a child's design has been selected for a patch, that child is no longer eligible.

The 07-08 patch design schedule is posted on the Logowhego website. Please make sure each entry includes the child's name and tribe so that appropriate recognition can be made.

Princesses will also get a black arrowhead. Winners will alternate, per event, between Guides and Princesses

**Please look for all of my photos  
from the fall campouts on the  
Nation Website.**

# Harvest Moon

## Princess Harvest Moon November 4<sup>th</sup> 2007

The princess harvest moon celebration will be held this year at the Wyndham hotel in Lisle.

The cost is \$25 for dads and \$15 for each daughter.

Circus Boy will return as our entertainer.

## Guides Harvest Moon November 11<sup>th</sup> 2007

This year the guides are making this event a harvest moon hayride and food drive at the Danada Equestrian center.

The cost is \$5 per person

Hayrides will begin at 6 pm and continue every 15 minutes until 7:45 pm

Hot chocolate with s'mores fixings will be provided.

We are collecting non perishable food donations to help out the local food pantries

## Christmas Tree Setup

The setting up of the Christmas Tree Stands will commence at 8:00 am on November 10<sup>th</sup> at the YMCA.

There they will be set up and those stands going to the fairgrounds will be loaded onto the truck for set up at the fairgrounds.

If we can get two representatives from each tribe, this will go very quickly.

## Christmas Tree Sales

Sales of the trees will begin on November 23<sup>rd</sup>. It takes two or three dads to sell trees during the weekday shifts. Work it out to split up your tribe over a few different time slots. Weekends are naturally a little busier so if you are scheduled for a weekend slot, figure three to five dads. Take a double shift and make a tribal meeting out of it. It is very important that we cover all of the shifts.

# YMCA Holiday Party December 2

This year's Christmas party is once again at the Y. We're asking that each member bring a \$7.00 wrapped gift for the Nation gift exchange. Mark it for girl or boy. Also we ask that you bring one Food pantry item---bring one canned or boxed good for the homeless

In addition, we will have a 'sweet table' for members to bring their favorite holiday treat to share with their fellow members.

Once again we will be collecting for "Toys for Tots". Let's show them how generous we are by donating a new toy for a needy child.

There will also be a raffle of two bicycles; one boy's, one girl's. We are asking that each tribe donate \$10.00 towards the cost of the bikes. Good Luck to all.

Don't forget the Christmas tree sales starting November 26th. We will be selling both at the Y and the County Fair Grounds. There will be a pizza party in 2005 for all members who come out and man the lots.

# Logewhego Federation

## Special Projects Description

The Logewhego Federation Feathers represent a distinct class of awards that are earned based on specific personal and group achievements, not participation in tribal and nation events. Many of the projects place an emphasis on the Native American theme of the program. Listed below are the ten special projects for which feather patches can be earned. The primary patch (analogous to the large round nation patch but in the shape of a bird with outstretched wings) will be issued at the time the first special project feather is earned. There is also a special larger feather patch that is awarded upon completion of the ten special projects.

The tribal chiefs have the primary responsibility for ensuring that the criteria are met before a feather patch is awarded, although some special projects will be held in conjunction with nation events like the camps. The Legend Keeper of each nation council is designated as the special projects coordinator for their nation – this is the main contact person in the event of questions or suggestions.

<b>Number</b>	<b>Feather</b>	<b>Project Description</b>
1	White with blue tip	Recite the names of all fathers and daughters/sons in the tribe, both English and Native American.
2	White with red tip	Recite tribal ritual, including opening and closing prayer, guides/princess pledge, and guides/princess aims.
3	Red with black tip	Participate in a community function (e.g. community cleanup, charitable or good-will project) and deliver report to tribe.
4	Yellow with red tip	Complete a major piece of tribal equipment (e.g. tribal standard, talking stick, tom-tom, wampum pouch).
5	Yellow with black tip	Deliver a report on the history, lifestyle, and/or customs of the Native American tribe for which the group is named. If there is no actual tribe, report on the Ojibway.
6	White with brown tip	Draw (or collect and mount) 6 (six) different native tree or plant leaves, or six different birds, or six different mammals, or six different fish, or six different insects, with identification and brief description.
7	Green with black tip	Complete a Native American handicraft that is not a tribal council meeting or tribal equipment project.
8	Black with yellow tip	Memorize and draw 12 (twelve) Native American symbols from any tribe or culture.
9	Blue with white tip	Act as a mentor for another little brave or princess in the tribe who is working to earn a special project feather.
10	Black with white tip	Read a Native American myth or story, preferably appropriate to the tribe, as part of a tribal council meeting.
11	Large red with white tip and base	Complete all 10 special projects.
